## South Dakota Military Heritage Alliance, Inc.

*A Place for Freedom • A Place to Remember • A Place for All*

### AN OPPORTUNITY FOR THE AGES

The South Dakota Military Heritage Alliance was formed in 2018 and has captured the imagination of thousands of patriots from all walks of life. Gaining more than 14,000 members in less than three years, the Alliance has raised over \$12 million to develop an unprecedented facility in demonstrating South Dakota's love of country and in support of those determined to keep her free.

The Alliance consists of three key allies: veterans, active military service members, and the at-large community. The leadership of the South Dakota Military Heritage Alliance is comprised of passionate, energetic, and focused leaders. The Alliance includes veterans, active military service members and their families, civilians, elected officials, business leaders and other key individuals.

### A CELEBRATION OF AMERICA AND THOSE WHO SERVED

The Alliance serves as a family-friendly destination for celebration and creating your unique experience. It all starts with a salute as you enter the building, followed by "the Alliance Experience", and ends with a memory.
